High-Quality, Unique Product

The ICEBREAKER Nordic POP Coca-Cola is a revolutionary, Coca-Cola-branded ice-making solution designed to bring fun, efficiency, and style to your beverage experience. Its innovative design makes it easy to fill, freeze, and serve ice cubes, embodying Coca-Cola's heritage of refreshment and innovation

4 - in - 1 FUNCTIONALITY

The ICEBREAKER Nordic POP Coca-Cola combines a 4-in-1 design: ice cube maker, bin, dispenser, and ice pack. It produces 18 ice cubes per serving, up to three times daily, all without touching the cubes. Just fill, freeze, POP, and enjoy ice-cold drinks with family and friends—completely BPA-free, dishwasher safe, and leak-free.

Self-Ready Packaging / Counter Display Unit

Strategically designed SRP Countertop Display Unit makes the ICEBREAKER Nordic POP Coca-Cola stand out in any retail environment. Compact, stylish, and brand-aligned, this display holds 15 products, maximizing shelf appeal and increase impulse purchases, a perfect addition to promotional campaigns. The SELF READY PACKAGING, is highly engaging in a pallet setup, and in more than one store location (Kitchenware, Merchandise, Drinks, Checkout)

Retail Segment

The Coca-Cola edition is an excellent fit for promotional campaigns, bundled offers, and retail chains already carrying Coca-Cola products. It's a standout choice for themed merchandise stores, gift shops, and corporate gifting, offering a fun, branded product that reinforces Coca-Cola's values of joy and togetherness.

High-Quality, Unique Product

ICEBREAKER Nordic POP 2.0 Clear Water Blue brings innovation to your everyday and a “WOW” effect for family gatherings and everyday use, offering a functional design that solves the problems with the usual ice cube trays. It’s a stylish addition to your kitchen, your picnic or RV. No spills, no odor, no mess.

4-in-1 Functionality

The ICEBREAKER Nordic POP 2.0 Clear Water Blue is a 4-in-1 ice cube maker, bin, dispenser, and ice pack in one. It makes 18 ice cubes per serving, up to three times a day, and without ever touching the cubes. Simply fill, freeze, POP, and serve directly into your drink—no leaks, BPA-free, and dishwasher safe, perfect for everyday life, home bars, picnics, and road trips.

Self-Ready Packaging / Counter Display Unit

Compact and eye-catching, the SRP Counter Display Unit holds 15 products. It is designed to engage customers in retail environments, maximize shelf appeal, and drive impulse purchases. Whether displayed on a counter or included in a larger pallet setup, it is perfectly aligned for home and lifestyle retail channels.

Retail Segment

The Clear Water Blue version is ideal for retail chains, housewares, and kitchenware stores, catering to families and households seeking practical, everyday ice cube solutions. It’s also a strong performer on online marketplaces and in gift shops, where its blend of convenience and fun design makes it a thoughtful and functional choice.
